

## **ID TECH Acquires Full Ownership of IDTLA and ID TECH Taiwan**

Cypress, California, February 22, 2007 - International Technologies & Systems, Inc., dba ID TECH, announced today that it has acquired full ownership of two subsidiary companies, IDTLA and ID TECH Taiwan. IDTLA is a sales and manufacturing company located in Sao Paulo, Brazil. ID TECH Taiwan is a contract manufacturer located in Taichung, Taiwan. ID TECH and the wholly owned subsidiaries are directed through the leadership of President Mr. Stanley Ning from Corporate Headquarters in Cypress, CA.

The acquisition combines one of the largest and fastest growing Automated ID Products companies with two complementary companies experienced in Sales, Manufacturing, and Distribution. The additional capability in manufacturing addresses growing opportunities in South America & Asia and provides a substantial increase in product volume capacity. Customers and vendors benefit from the local presence and efficiencies provided through the unified company structure. The acquisitions provide additional synergy for worldwide sales growth. The combined company focus is providing a comprehensive line of products for the Automated ID market while increasing product quality and aggressively reducing product lead-times. With the addition of IDTLA & ID TECH Taiwan, ID TECH is well positioned to meet those combined goals.
